Our website has been set up as a testimony to the faithfulness and goodness of our God. It's a website full of stories, information, testimonies, available resources, valuable links to other sites and an opportunity for those that are seeking to know God in a personal meaningful way, read the "Know God" page to learn more and get in touch with us to help you on your way.

We invite you to browse through the website and see all that God has done. Thandaza Covenant Church is made up of precious people, a family and community of believers who have a desire to serve God, make a difference and leave a legacy that will bring God Glory. We aim for excellence in all we give ourselves to and pour out our lives as a sacrifice because He is worthy of it all.

Leading this church is a great privilege and joy for us and we long to share this joy with all who "click on" and hope that you will be both encouraged and stirred.

We have a team of dedicated workers who have volunteered their time and effort in putting this site together and keeping it full of Life. Thankyou team for your commitment and passion, you bless our hearts.
